MACOMB COUNTY PREVENTION COALITION BENEFITS FROM ENGLE'S AMERICAN BISTRO

Sterling Heights, MI – The Macomb County Prevention Coalition (MCPC) will benefit from a generous donation from Engle's American Bistro over the next two weeks, August 21 through September 1, 2006. Engle's American Bistro, a new restaurant located near Lakeside Mall in Sterling Heights, will donate 10% of its food proceeds with a coupon distributed by the Macomb County Prevention Coalition. The coupon can be found at the MCPC website: www.mcpcweb.org and is good for Monday through Friday, August 21st through August 25th and again, August 28th through September 1st.

The mission of the Macomb County Prevention Coalition is to unite education, law enforcement and community leaders in a partnership to provide safe and drug-free environments for youth. The MCPC serves as an umbrella organization for ten community anti-drug coalitions throughout Macomb County.

Ken Lampar, Executive Director of the Macomb County Prevention Coalition, announced that the funds raised by this project will be used as local matching funds required by a federal Drug Free Communities grant from the Office of National Drug Control Policy. The \$200,000 Drug Free Communities grant was awarded to the Macomb County Prevention Coalition and Macomb Family Services, Inc. in September 2005.
